Team Rosters & Eligibility

Q: How do I know if my team is qualified to play in the State Championships?

A: Playing in two State Qualifiers automatically qualifies your team for State competition. You may also petition the State Office to request an exception to policy due to unusual circumstances.

Q: Can I add players to my roster?

A: Rosters are frozen after your last State Qualifier. Eligible players are those players who are on your roster as of your last participating State Qualifier. Adding new players after your last State Qualifier is not permitted.
